Re: Submission of Annual Progress Reports for Energy Fuels Resources Corporation's Whirlwind Mine Permit No. S/019/065

Energy Fuels Resources Corporation is providing the annual report for the Whirlwind Mine (the "Mine"), located in Grand County, Utah and Mesa County, Colorado. Attached please find the annual report along with the annual fee. At this time, the mine portal, workings, and all current surface facilities are located within Colorado. Although permitted, ventilation shafts have not been constructed to date in Utah.
